TEMPORARY FIREWORKS SALES APPLICATION

YOU MUST PROVIDE A DRAWING OF THE PROPOSED LAYOUT(site plan) & A FLOOR PLAN AT

TIME OF APPLICATION

Show location & sizes of tents, booths, tables, portable toilets, parking layout, storage area, aisle way widths, exits, location of fire hydrant, fire extinguishers, portable generators, temporary fencing, access routes, location & sizes of any signage, etc.

EXAMPLES:

1. A site plan (to scale) must be provided showing the following information:

- a. Lot lines –show adjacent uses & zoning
- b. Existing & proposed buildings & structures (including tents - - *please show all dimensions, exits, distances to other structures & lot lines. Must comply with 2009 International Fire Code re: Tents, Canopies & Other Membrane Structures*).
- c. Location & dimensions of any areas for storage
- d. Location of Fire Hydrants
- e. Layout of parking & handicap parking spaces
- f. Boundaries of proposed sales areas- entrances/exits
- g. Location & size of any signs (incl. off premise)
- h. Parking spaces, handicap parking and vehicle access
- i. Location of restroom facilities
- j. Security
- k. Location of generator

2. A floor plan must be provided showing:

- a. Layout of display & storage
- b. Aisle widths (must be min. 48")
- c. Min. of 2 exits (44" w. openings) each exit must have travel distance < 35'.
- d. Location & type of fire extinguishers (must be within 35' from any point in structure)
- e. Structure must have 50% open area
- f. Location of all signage

REQUIRED SIGNAGE:

- "No Smoking" – min. 1 sign with 2" letters
- "No Fireworks Discharge within 300 feet" – min. of 4" letters
- Evacuation plan

All requirements of Section 14.12 of the City of Taylor Zoning Ordinance & Chapter 7 of NFPA 1124 apply. Your event must not prevent the continued use of sidewalks, right-of-ways, fire lanes, etc. If you are not the property owner, you must have written permission from the owner. A minimum of one parking space must be provided for each 800 sq. ft. of event area (not including storage areas) in addition to the required parking for the permanent building. Public restrooms must be provided. Tents cannot be located within 20 feet of lot lines, buildings, parked cars or other structures. Each tent must have a certificate of flame resistance and an adequate number of fire extinguishers, per local fire code. No open flames, heat, flammable or combustible materials can be within 20 feet of tent. Exits signs are required and must be illuminated at dusk. All equipment and materials associated with the event must be removed and the site restored to a clean condition within 5 days of end of event or your bond will be forfeited, per Section 14.12(b)(8) of the Zoning Ordinance.
